Old business:

Bear Lake Days. Neither AJ nor Erin was present. Linda Young reported on Arts & Crafts. Took in \$110. 10 spaces not filled. She handed out a survey to vendors as in the past.

Linda Schweyer reported on the potato bake. Made about \$193 profit. Discussed cost and size of potatoes-could reduce both for next year. Discussed pretzel machine, hookup problems etc. Will talk to Erin. We will sell the pretzel warmer that is in Gloria Edwards' garage.

Pam Bagley reported that the Tee-shirt sales made about \$300. It was proposed that we sell old Tee-Shirts through local retail outlets for \$5 each to reduce inventory.

Autumn's Glory Day. It will be held in Hopkins Park. We are considering selling T-shirts and pretzels.

Other. Joanne reviewed committee list and members.

Bear Sign. Don Brisbin volunteered to change the sign to read Larson's Landscape as they have said they will maintain the area. George is still involved. Motion to have him obtain new sign made by Linda Young, second Linda Schweyer, motion carried.

Bear Lake After Hours. Pam Bagley reminded us that it will be on October 6, 5-7 PM at Northern Natural Organics on Chief Road in Kaleva,--Dennis Mackey host. There will be hard cider and wine as well as appetizers. We need everyone to bring pictures for our 30th anniversary picture board and celebration.
