Possible to have another donation box on other side of road. A lot of good response this year, Caroling was good. Need to find a replacement for current Santa. Need a new rope line for children on opening night as the visit with Santa. Ran out of food at right time but can always use more food items. Had 6 new people for take down lights. Good response for stores with coupons in fliers. Approx. 15K visitors this year & people were driving through after 10pm.

Two Bear Lake Bucks were given out for Christmas Light Challenge, will considered this for next year.
