2. Policy on Lending Bear Lake Promoters' Property

The primary purpose of Bear Lake Promoters owned property is to support the Promoters' mission. Loans will be permitted only when such action supports a mission goal or objective.

Bear Lake Promoters has a fiduciary responsibility for safeguarding its property and an obligation to the public. That responsibility is fulfilled through maintenance of its property.

The following guidelines apply for lending property:

- 1. Property may be lent/borrowed only when such action support the Bear Lake Promoters and does not impair the activities supporting the Promoters.**
- 2. Implicit in lending/borrowing is that the property be returned in a timely manner in essentially the same condition as when borrowed. There normally should be no cost incurred by The Promoters, including transport from and return to The Promoters.**
- 3. The control and accountability for lending of property rests with the Board of officers who will act in a responsible, prudent manner.**
- 4. Appropriate authorization must be obtained prior to lending the property.**
- 5. The use of a form is necessary as it becomes an official document link for property control.**
